

Portfolio Sitemap & Visitor Journey

FlyRank AI Fluency Program

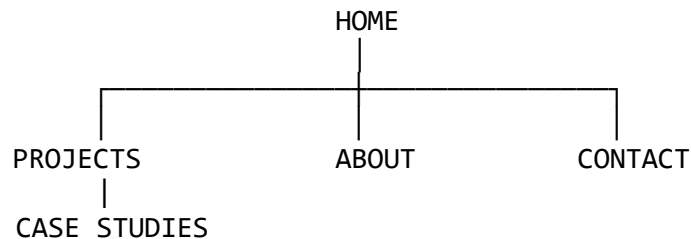

Week 1 – Draw the Path: Portfolio Sitemap

Prepared By: Kanak Chaudhary

1. Purpose

This sitemap outlines the structure and navigation flow of my portfolio. It is designed to guide recruiters from understanding my skills to reviewing my projects and ultimately contacting me for an internship or interview.

2. Portfolio Structure & Visitor Journey

3. Portfolio Objective

Demonstrate AI-Powered Backend Development Skills

Build Recruiter Trust

Secure an Internship Interview

4. Visitor Flow

Landing

See My Best Project

Explore Case Studies

Know About Me

Contact Me

5. Why These Pages?

- **Home** → Introduces my value proposition and highlights my strongest project.
- **Projects** → Demonstrates my technical skills through detailed case studies.
- **About** → Presents my background, technical expertise, and learning journey.
- **Contact** → Makes it easy for recruiters to reach me.

6. Primary Call-to-Action (CTA)

Contact Me for an Internship or Interview
